## WVC “Final Week”

### Team Placement Tie-Breakers

(In case of ties in the standings, the following will be used as tiebreakers. In the case of more than two teams being tied, as soon as one team is eliminated, the tie-breaking procedure reverts to step No. 1 to break further ties)

1. Head-to-head result
2. Goal differential between teams which are tied (3 teams)
3. Record against teams in group for which you are vying
4. Goal differential against other teams in that group
5. Fewest goals allowed in that group
6. Coin toss

NOTES: Games will be played at the site opposite of where the first game was played, during the round-robin schedule. Exact pairings and sites will be determined after the conclusion of the round robin. Only teams that finish in the top group (first, second or third), after the round robin will be eligible for the conference championship. Teams will remain in the group they are in following round robin play.
